A COURT ROMANCE

A COURT ROMANCE.

A Young Woman Charged With Burgiary Believes and Married in Coart.

New York Aug. 18.—Miss Boss Baberick was married to Mr. William Hoffman in the Budson County court of sessions by Justice Aldrich Thursday, and after the ceremony Judge Lippincott reconsidered his action in sentencing the young woman to State prison for two years for burgiary and suspended the sentence. Miss Baberick is the young woman who had \$600 of her savings deposited in the Bowery Savings Bank in this city, and when she became engaged to be married to Hoffman she weet and draw the money to vice in purchasing her wedding outfit. She was returning to the Jersey Chy farry in a street car, when a thigt took the satched in which she had the money and escaped with it. A week afterward the wedding was to have taken place. She had no money left. She could not even boy a new dress. The night before the day set for the wedding she wellt to James Vanantwarp's house in Monticello avenue where she had been employed, and climbed in through a rear window. She went to a closet where Mrs. Van Antwerp kept her dresses and took a silk gown and a Court, charging him with higamy and alultery. Spry was in charge of the Mormon procelyting in the South.

Is the United States Court at Austin, Tex., Gus Wilke and Aluar Taylor pleaded guilty recently to the importation of skilled laborers from Europe to work on the new capitol, and were fined \$1,000 and costs in each of sixty-four cases.

Enex S. Allers, the former president of the Forty-second street railwa? New York, who was convicted of fraudulently issuing the company's stock, has been sentenced to fourteen years at hard labor in the State's prison. The prisoner had entered a plea of guilty.

Business failures (Dun's report) for the seven days ended August 15 numbered 212 compared with 21 the previous week and 219 the corresponding week of last short. One of them set fire to some clothe-ing, and the house came near being burned ing, and the house came near seing turned down. She was arrested in company with her lover the next day and accused of burglary and arson. She confessed. In the court of sessions the charge of arson was dropped, and she was sentenced to State prison for burglary. Hoffman called on her, at the county fail every day. As attempt to wrock an excursion train The new cruiser Boston's damage by running aground off Newport, R L, is quite serious, extending over a space of thirty-six feet long.

WILLIAM TRAINER, the young man who industrial Gormans, who live in lower

mony was performed right in the court room. The couple thanked Judge Lippin-cott with tenrs in their eyes, and left the court room arm in arm. Miss Baberick is only ninsteen years old. She was never accused of any wrong before the burglary.

MAIL ROBBERY.

SULLIVAN, the pugilist, was sentenced at Purvis, Miss., to one year's imprisonment.

W. C. Perry, the aeronaut who sustained severe injuries by falling from a balloon 700 feet high at Mount Holly fair, near Charlotta, N. C., a few days ago, died inter from internal injuries. Perry left a wife and two children.

A remark the puricane swept over the southern part of Spain on the 17th, causing immense damage to property. A number of houses and churches in Granada were wrecked and part of the dome of the famous church of San Felipe was blown down.

MAIL ROBBERY.

ELIXIR HORRORS. Blood Poisoning and Hig Lumps Appear in Patients Experimented Upon, CINCINNATI, Aug. 18.—A man named Chackers Art. Aug. 18.—A man named Steele, who was a few days ago subjected to treatment by the Brown-Sequard method is suffering from blood poisoning as a result of the fest. He will sue for th,000 damages. Fielden Wier, the first man experimented on here and whose wonderful cure was telegraphed broad-cast is in bed again. Great hard cast is in bed again. Great hard lumps appear where the incisions were made and he is delirious. Dr. Lungfellow, who made the first experiment in a published statement Filiay night says he has lost faith in the "clixir." He says that a local paper paid all the exthe first news. Dr. Langenbeck, the chemist who prepares nine-tenth of all the 'elixir" used terr, says it is dangerous if used after an hour and rank poison after two hours. The scare amounts to a craze. There are reports that the workhouse physicians have experimented indiscrim-inately with frightful results.

No Personal Differences. Washisuron, Aug. 18 -The attention of Pension Commissioner Tanner being called to a published interview in Chicago with Assistant Becretary Bussey, in which he is represented as speaking of Secretary Noble's relations with the Commissioner, said: "Assuming that General Bussey was reported correctly, I of jobt most dewas reported correctly, I object most de-cidedly to his creating the impression that there are any personal differences be-tween Secretary Robie and myself. Mr. Noble is one of the most lovable of men; a man of broad views, and while there may be some official differences between us, these differences are not of a personal character. Any statement tending to crecharacter. Any statement tending to create any other impression is untrue."

Kannas Cirr, No. Aug. 15.—About four clock yesterday morning a milkman stumbled over the lifeless body of a man

for the Glidden & Joy Varnish Com-pany. In some unknown manner he had fallen, it is supposed, from the windows of his room were the walk, re-coiving injuries that probably caused in-stant death. He had complained of feel-ling unwell and was perhaps delitions, when he met his death. He was twenty-four years of oge and of examplary habits.

FOREST FIRES.

VOL. VII. NO. 50.

No Agreement Heashed.

Chicago, Aug. 13.—Mr. W. I. Scott, of Pennsylvania, and other owners of coal mines in Northern Illinois have been in the city for the purpose of conferring with representatives of the laborers at the various mines on the subject of wages. Each body held a conference with closed down.

The miners wanted the price of mining rebody hold a conference with closed down.
The miners wanted the price of mining restored to the scale of last year, from which there had been a reduction of ten per cunf., while the mine operators held that they could not do this without losing money and when the two sides faced each other Mr. Scott's superintendent amnounced that the full reduction would be impliced upon. Adjunctional size of the full. insisted upon. Adjournment size die fol-lowed.

Washington Ang 12.—The President has made the following appointments: Robert B. Reutfra collector of exetums for the district of Branes de Saulingo, stumbled over the lifeless honly of a hear in his night dress lying on the concrete walk heading from the front to the rear at the house at 216 West Tenth. The body was that of Arthur Cochrane, city solicitor has Glidden & Joy Varutsh Com-
